To whom it may concern

Based on the technical data sheet which you sent us 24.08.2020 by e-mail and the fact that your products meet the specification of DIN 51524 and its referring parts, COLMAR Technik SpA approves that the following hydraulic liquids comply with requirements of the COLMAR products and are herewith confirmed to be used in these machines

- Hydraulic Oil TERRAN Outdoor HVLP  
referring to DIN 51524 part III, HVLP, VG 15, 22, 32, 46, 68

The installer of our product has to select the correct viscosity grade according to our installation guidelines

With this approval COLMAR does not assume any warranty on the oil itself

In case of product failure or negative operating result caused by it, warranty claims will not be accepted

Michele Marzana  
Head of After Sales and Parts Dept.
